

Global HR Forum

On Engaging Employee Experience

11th – 12th June 2013

Vienna, Austria

Description:

The 2-day event with a built-in Masterclass session is designed for HR and business leaders who want to gain or retain their competitive edge through engaging their senior and future workforce. Expert speakers will highlight topics such as leading strategies to retain and motivate, tapping on the social media advantage, and many more. The event will also focus on real-life applications of lead practices and insightful case studies.
