

**At this large-scale event,
consisting of 1-day
pre-conference workshop and
2-day summit, 30+
forward-looking top-level experts
will focus mainly on
4 cornerstone themes
in 4 sections.**

**Attendees will hear about
corporate education
ecosystems, drivers of newest
learning process, on-the-job
performance support, and new
perceptions on learning content.**

**Furthermore participants will
benefit from keynote
presentations, “fishbowl
conversation”, case studies,
roundtable & panel discussions.**
