

Orchid Associates Group: World Class Event for HR Professional

Since 2011 Orchid Associates has been producing a series of HR specific and Corporate University events operating from offices in Europe, Asia, America; Thought-provoking events showcase exciting ideas about how to address key business challenges whilst at the same time presenting innovative thinking and practice.

A new addition to the Orchid Associates events portfolio is the Leadership and HR Directors Forum. Alongside the HR Directors Forum, Executive Learning Forum, World Corporate Universities Forum and HR Trends Symposium; Orchid Associates now covers a wide range of topics associated with HR and Executive Leadership. Speakers address key challenges from a strategic, technological or a leadership perspective.

The upcoming international congress will be celebrated in Disneyland, Paris, next December 5th 2016:

“The New Era Executive Learning Summit”.

It will discuss the new way in learning such as : **New HR Strategies – Gamification in Learning – E-Learning in Digital Age – Neuro Linguistic Program – Emotional Intelligence – Innovation in Training – Positive Psychology – New Age of Executive Development**

Our HR events are always well attended by **150 to more than 200 HR Executives** Who should attend: **HR Director, Head of Training, Organizational Development, Recruitment, Talent Management and other HR professionals.**
